

SHAWN MIRAMON

Full Stack Web Developer

Houston, Tx | (832) 215-3399

shawnmiramon.com | github.com/miramonster | linkedin.com/in/shawn-miramon | shawnmiramon@gmail.com

Full Stack Web Developer with the ability to pick up new languages and technologies as needed. Prior to being a Web Developer, I worked as a Store manager for 12 years with Starbucks Coffee Company; where I managed teams of 30+ people in a dynamic business model creating goals that were team oriented as well as helping develop those with the desire to grow their career .

Software Development Skills

- JavaScript, Python, Node.js, React, Express, Redux, PostgreSQL, Sequelize, Bootstrap, Flexbox, HTML, CSS, Sass

Education

DigitalCrafts | Certificate in Software Engineering | Houston, Tx **December 2021 – April 2022**

- Software engineering training program covering full-stack development including, but not limited to JavaScript, Python, including an emphasis on cutting-edge frameworks like React/Redux and server-side technologies including Node.js, Express, and PostgreSQL.

Arizona State University | BS Geography **2018 – 2021 Incomplete**

- Studied Geography with an emphasis on Geographic Information Systems using ArcGIS, ArcMap, and SQL to track data and express it in the form of maps and graphical charts. I also Minored in Project Management

Web Development Portfolio

[Three Bayou Beanery](#) | github.com/Cristobalmtz16/coffeeapp **January 2022**

- Responsibilities included designing and assembling a fully mobile-responsive layout and routed information being passed from the database
- Capstone project built with React, Redux, Node.js, MongoDB, and PostgreSQL

[OnlyCams](#) | github.com/technotobes/e-commerceProject **February 2022**

- Member of a 3-person development team building an e-commerce site that allows users to sell and buy cameras and camera parts.
- Responsible stylization and user functionality

[What's For Dinner](#) | github.com/miramonster/WhatsForDinner **January 2022**

- A mobile first responsive single page web app that helps connect the ingredients in your fridge to recipes online that contain those ingredients. The dine out portion of the app shows you pictures and reviews from local restaurants ranked by rating and sorted by category.
- Responsibilities included designing and assembling a fully mobile-responsive layout and routed information being passed from the database

Work History

Store Manager | Starbucks | Jan. 2014 - Aug. 2021

- Cultivate and maintain a positive environment for partners by supporting the company's mission, values and guiding principles.
- Identify potential challenges to the business model and adjust as needed to mitigate impact.
- Continuously increased annual sales by an average of 10%.

Assistant Store Manager | Starbucks | Nov. 2012 - Jan. 2021

- Evaluate employee performance, deliver timely feedback and administer performance evaluations for Sales Associates.
- Owned accountability for the daily success of all store operations including inventory, sales, Profit and Loss, as well as labor.
