SHAWN MIRAMON

FULL STACK WEB DEVELOPER

Houston, Tx • (832) 215-3399 • shawnmiramon@gmail.com

shawnmiramon.com • github.com/miramonster • linkedin.com/in/shawn-miramon

Full Stack Web Developer with the ability to pick up new languages and technologies as needed. Prior to being a Web Developer I worked as a Store Manager with Starbucks Coffee Company; I managed teams of 30+ people in a dynamic business model, strategizing and delivering measurable performance goals and facilitating the growth and advancement of my team members.

SOFTWARE DEVELOPMENT SKILLS

- JavaScript, Python, Node.js, React, Express, Redux, PostgreSQL, Sequelize, Bootstrap, Flexbox, HTML, CSS, SaaS

EDUCATION

DigitalCrafts | Certificate in Software Engineering | Houston, Tx   **December 2021 – April 2022**
- Software engineering training program covering full-stack development including, but not limited to, JavaScript, Python, and an emphasis on cutting-edge frameworks like React/Redux and server-side technologies including Node.js, Express, and PostgreSQL.

Arizona State University | BS Geography   **2018 – Present**
- Studied Geography with an emphasis on Geographic Information Systems using ArcGIS, ArcMap, and SQL to track data and express it in the form of maps and graphical charts. I also Minored in Project Management.

DEVELOPMENT PORTFOLIO

Three Bayou Beanery | github.com/Cristobalmtz16/coffeeapp   **January 2022**
- Responsibilities included designing and assembling a fully mobile-responsive layout and routed information being passed from the database.
- Capstone project built with React, Redux, Node.js, MongoDB, and PostgreSQL.

OnlyCams | github.com/technotobes/e-commerceProject   **February 2022**
- Member of a 3-person development team building an e-commerce site that allows users to sell and buy cameras and camera parts.
- Responsible for stylization and user functionality.

What's For Dinner | github.com/miramonster/WhatsForDinner   **January 2022**
- A mobile-first, responsive, single-page web app that helps connect available ingredients to online recipes that contain those ingredients. The dine-out portion of the app displays pictures and reviews from local restaurants ranked by customer rating and sorted by category.
- Responsibilities included designing and assembling a fully mobile-responsive layout and routed information being passed from the database.

PROFESSIONAL EXPERIENCE

Store Manager | Starbucks   **Jan. 2014 - Aug. 2021**
- Cultivated and maintained a positive environment for partners by supporting the company's mission, values, and guiding principles.
- Identified potential challenges to the business model and adjusted as needed to mitigate impact.
- Continuously increased annual sales by an average of 10%.

Assistant Store Manager | Starbucks   **Nov. 2012 - Jan. 2014**
- Evaluated employee performance, delivered timely feedback, and administered performance evaluations for Sales Associates.
- Accountable for the daily success of all store operations including inventory, sales, Profit and Loss, and labor.
